

DON'T LET IT BE A KILLER

Last year, 1 in 5 fatalities on Nevada's roads was a motorcyclist. When you're riding, slow down, wear all the protective gear, dress and ride conspicuously and remember, splitting lanes is illegal. Make zero your goal.

11 HIGHWAY 50 & CARROLL SUMMIT

"The Loneliest Road in America" is Highway 50 through Nevada, which cuts across the original Pony Express Trail. Plan to stop at Old Middlegate Station for the famous Monster Burger before taking a detour on SR 722 over Carroll Summit. End your trans-Nevada ride with a visit to Lehman Caves and the rocky glacier at Great Basin National Park.

The Ride (387 miles): From Carson City, follow Highway 50 east to Middlegate, 108 miles. From Middlegate, continue on Highway 50 for three miles and turn right on SR 722. Built in 1880, this historic building remains an important center for town activities. Ely is another 78 miles east. While in Ely, visit the six-story Hotel Nevada that

was the tallest building in the state when it opened in 1929. It now offers every modern amenity, including Wi-Fi. Continue on Highway 50 east from Ely to SR 487, 57 miles. Go five miles on SR 487 into Baker. Make sure to visit Great Basin National Park, which is only six miles out of Baker on SR 488.

you'll find the town of Battle Mountain, "Gateway to Nevada Adventure." If you'd like to get off the beaten path head south to Tonopah. The Ride (206 miles): From Battle Mountain, head south on SR 305 (Broad Street) 88 miles to Highway 50. Turn left on Highway 50 for 12.7 miles to the town of Austin. Great place to stop for lunch. 11 TONOPAH TO LAS VEGAS

Tonopah was rated the No. 1 Stargazing Destination in America by *USA Today*. It's away from the big city lights and features some of the brightest stars you'll ever see. When you leave Tonopah, take time to stop in Goldfield, where the Goldfield Hotel and Esmeralda County Courthouse still stand sentry. Then it's on to Beatty, which boasts one of the largest candy stores in the country. YUM! Then head for Vegas, baby!

The Ride (211 miles): Take US 95 and head south. In 28 miles, you will pass through Goldfield, then go another 66 miles to Beatty. After Beatty, it's only 117 miles into Las Vegas.

Take US Highway 93 south and continue about 20 miles to Boulder City. In Boulder City, take a left at the second stoplight in town (there are only two of them). Continue on US 93 for about five miles (just past the Hacienda Hotel) to the turn-off to SR 172—the Hoover Dam Access Road. Take SR 172 for about two miles to the dam on the Nevada/Arizona border.

19 LAS VEGAS TO LAUGHLIN

If you've never been to Laughlin, you'll be amazed at this little city by the river. With several large mega resorts and first-rate entertainment, this town can't be missed. It's only two hours from Vegas and you'll pass through Searchlight, where Senator Harry Reid was born.

The Ride (126 miles): Take I-515 S/US 93 S/US 95 S south for 20 miles. Turn right onto US 95 S/Veterans Memorial Highway and travel 35 miles to Searchlight. Continue on US 95 S another 55 miles to junction with NV 163. Turn left onto NV 163 and go 16 miles into Laughlin.

Pahrump, NV is an exciting town just off the beaten path where you'll find everything from hiking trails to jetpack rides to wineries. And since it's an easy ride from Pahrump to both Las Vegas and Death Valley, your adventures have only just begun.
